**Attachments:** EJ Analysis stand alone.docx; Dewey-BurdockEJAnalysis\_EJ version\_vr3.KAM JB (003).docx

So Danny, I am including the entire document (which is currently in the process of being reorganized) but it is what I used to write my conclusion. The stand alone document is my conclusion. I am sending this to you prior to any review by anyone on the team, but I would like your feedback. Thanks So much.
